

NNREC

Nevada Natural Resource Education Council

NNREC is an educational catalyst for environmental sustainability, generating partnerships that foster stewardship, conservation and responsible land use with students, educators, and communities, to ensure a healthy environment for future generations.

Annual Appeal

NNREC is a 501(c)3 Education and Public Benefit Corporation. Donations to the Annual Appeal are tax deductible to the extent allowed by law. No materials, services or benefits are offered in return for your donation.

Donations to our endowment fund will ensure the long-term stability of the organization and our efforts. We are holding donations in a long-term reserve account until such time that we have accumulated enough to establish an endowment with either the Community Foundation of Western Nevada or the Nevada Community Foundation.
